Jersey Robbers Near Metuchen  
Seize Silk and Rubber  
Loads on Way Here.

Armed men near Metuchen, N. J., today stopped two trucks carrying silk and rubber goods worth \$125,000, drove to a lonely spot between New Durham and New Market and tied the two drivers and a helper to trees, miles away from telephone communication. The robbers then drove off.

One of the trucks men unlocked himself and his comrades and got word to the police who are now watching all roads leading into New Jersey cities and New York. No trace of the robbers has been found.

According to the escaped drivers, the trucks were owned by the National Motor Truck Company of Philadelphia and were transporting their cargo from Philadelphia to the office of the Motor Truck Freight Corporation, at No. 54 Harrison Street, New York City.

Daniel Brown and Frank Rose, both of West New York, were in one truck, and Alexander Legeman, No. 971 Franklin Street, Philadelphia, was in the other. They said the robbery occurred before dawn.

## SCHOOL HEAD SUES CRAIG FOR \$100,000

Shallow Says Comptroller Slandered Him in Criticisms of Coney Island Site Deal.

A summons in an action for \$100,000 charging slander was served this afternoon on Comptroller Charles L. Craig by a process server for John E. O'Brien, of No. 115 Broadway, attorney for Alexander School Superintendent Edward B. Shallow. The complaint has not yet been taken, the process server admitted.

Mr. Craig accepted service joyfully and asked: "What is this for—a promise?" Upon being told it was not, the Comptroller replied: "I will have a counterclaim against Mr. Shallow that will take the shirt off his back."

The summons is the first move in a threatened action by Mr. Shallow against the Comptroller for the latter's criticism of Mr. Shallow's official conduct in the Coney Island public school site matter.

Mr. Shallow, at the Board of Estimate meeting today, said Comptroller Craig by insinuation and innuendo made it appear that Shallow's official acts in connection with the Neptune Avenue school site were such as to discredit him in the eyes of his superiors and the public.

**TWO SCHOOL SITES VOTED.**

Board of Estimate Provides \$25,000 for Benches on Riverside Drive.

The Board of Estimate referred back to the Committee on Finance and Budget today the matters of the disputed school sites, over which the Comptroller and City Superintendent of Schools Shallow have had some wordy encounters.

Borough President Bruckner of the Bronx won approval of a site for a public school on Jennings Street near Longfellow Avenue. The board took similar action with another school site adjoining Public School No. 30, on Ward Avenue, Staten Island.

The board voted \$25,000 for benches along the walks on Riverside Drive, similar to those now on Fifth Avenue and the Central Park walk.
